Application for the Associate certification test

Testing fee: $150. A retake is the same amount. This form does not add a membership fee or a proctor fee.

Pay the testing fee in the Institute store before the exam: https://aitriz.org/pages/store#associate-certification-fee

A current Institute membership (annual or lifetime) is required. Membership is separate from this testing fee.

Submit at least four weeks before the test. All fees must be paid in advance. If you do not pass, a new registration and the testing fee are required.

The exam may be taken online or proctored. The Institute will confirm the date and, for a proctored exam, the place.

Email this completed PDF, and any documents, to board@aitriz.org. Or use the online application: https://aitriz.org/pages/associate-application
